our time it can be appreciated in a new

RESCUE BOAT TO BE MOORED

Mattapoisett Selectmen determined a solution to the problem of how best to utilize the rescue boat in a meeting between the Board and Walter Morgado of the Rescue Squad and Harbor Master Karl Collyer. Mr. Morgado said that, in the event that his group is called to the harbor on a rescue mission, any boat on the wharf is available to the Rescue Squad and that a larger craft would probably be the most practical to utilize. He said, however, that he could not recall the last time that the Rescue Squad was called for a harbor emergency. Harbor Master Collyer, on the other hand, said that he is often called to look after an emergency in the harbor. He said that boats break loose from moorings, engine failure and other minor emergencies are common almost daily. The Selectmen, sifting these facts, decided that the intent of the Lions Club in donating the boat was to have it used for such

The Selectmen decided that this would be the best place to keep the boat. A space will be held for the town at the wharf to provide a future berth if needed but at present the boat will be moored off the boatyard. The Selectmen made Collyer a special policeman with badge and instructed him to arrange for communication equipment so that he can be in contact with other town emergency units for harbor rescue coordination.

The Selectmen also discussed with Collyer a plan to chart mooring places in the harbor and require application for these sites and the dropping of all moorings under his supervision. Moorings would be numbered, matched to the boat and a record kept as to what the mooring is.

PARK CONTRACT

Manuel Santos has been awarded a contract, as low bidder, for picking up rubbish at town parks and beaches 3 days a week and for raking up spilled rubbish. The contract for 3 days a week was for \$45. for Ned's Point, Shipyard Park and Shining Tides Beach pickup on Saturday, Sunday and Monday. The regular town rubbish contract calls for pickup on two other days of the week by Stanley Zychowski.

1 A.M. CLOSING RESOLUTION

The Selectmen received an opinion from Town Counsel Donald Fleming that town by-laws require all Mattapoissett establishments serving liquor to close at 1 A.M. The Selectmen unanimously approved a resolution to this effect and will so advise all who serve liquor.

A check for \$1300. was received in payment for census taking in the town based on a fee of 25¢ per person. The official population of Mattapoissett was counted at 5,417.

We like house calls

Is your house feeling a bit under the weather? Homes do occasionally. Plumbing gets indigestion, washing machines get hiccups and teenage electric systems behave as shockingly as attics with growing pains. The little bugs they come down with (like termites) or the colds they catch from furnace fatigue make them pretty tough to live with.

Fairhaven Savings has the cure to fix them up in a hurry. Money — a low cost home improvement loan. We're specialists in financing home remedies whether they call for major surgery or just a couple of vitamin pills. Call the specialists.

SATURDAY RACES AT MYC

(BEETLE CAT AND LASERS)

Clear skies prevailed throughout the afternoon of July 17, as two divisions, Beetle Cats and Lasers, lined up at MYC in readiness for the weekly Saturday races.

Although a goodly 10-15 miles per hour, the SW wind was the fickle, unpredictable type — first you had it and then you didn't. The Lasers, unfortunately, ran into the latter situation and were becalmed briefly at Shining Tides.

In the first race of the Beetle Cat double-header (the Senior Saturday Series), Peter McGowan in Sea Weeds led to the halfway point, then began to lose ground. First

Jim Broadwater in Agamemnon moved up, then Mason Smith's M2. Soon Dave Jenney's Ariel completed the winning trio.

For the concluding Beetle Cat contest of the day, the course was quite a different one: to Sunken Ledge Black Can "5" to finish, then repeat. The first time around saw Dave Jenney's Ariel outdistancing the 7-boat fleet, with Agamemnon and M2 close in its wake. Although Ariel widened the margin the second time around, the final lineup remained the same: Dave Jenney, Jim Broadwater, and Mason Smith.

MATTAPOISETT YACHT CLUB HOSTS NEBCBA TIRED PARENTS' CHAMPIONSHIP RACES

The Mattapoisett Yacht Club hosted the annual NEBCBA Tired Parents' Championship Races on Sunday, July 18. Eight New England yacht clubs sent Beetle Cat entries. The schedule included one race in the morning and two in the afternoon, with time out for luncheon at the clubhouse.

A moderate W wind started proceedings off, but later during the day shifted to SW, blowing hard and resulting in two breakdowns and numerous lesser casualties.

Dave Jenney from the host club brought the trophy back to MYC for the fourth consecutive year.

The standings were as follows: Mattapoisett YC, 22 1/2 points; West Dennis YC, 18; Chapaquoit YC, 17; Cataumet YC, 12; Tahanto YC, 11 1/4; Duxbury YC, 10; Chatham YC, 9; and Angelica YC, 7.

RE: GRANGE GRANT REJECTED

It is indeed unfortunate that townspeople have to be misinformed. The Grange and then the Historical Commission chairman, Mrs. Hathaway, should have been informed of the HUD decision as soon as it was known at the Town Hall. Mr. Lombard did NOT inform Mrs. Spalding, she went in and asked! Her term on the Historical Commission (not District Committee) expired on April 30, 1976. In the first place Mr. Lombard should not have had to apply for the grants anyway...this was the responsibility of the Grange. But our Selectmen, Mr. Hubbard, gave it to Mr. Lombard. Our executive secretary used the three sums:

the Grange's gifts.....	\$2,500.
the money voted at town meeting	\$3,000.
the possible HUD Block grant (not matching)	\$15,000.
	\$20,500.

and using this figure for "money in hand" applied for a matching grant from the Na-

tional Register in Washington in the amount of \$25,000. Now that we have been turned down on the \$15,000. HUD Block Grant... where are we? Pretty embarrassingly short of "money in hand" for the National Register Matching Grant! I would suggest that the Grange with the help of the Historical Commission and Stephen Snell, Grants Manager at the Massachusetts Historical Comm. in Boston, see if they can reapply, using the \$5,500. they DO have for its National Register Matching Grant.

We all want the work to start on this wonderful old building as soon as possible and to this end the selectmen, and secretary and Historical Commission have worked long and hard and mean very well. How-

THE MAN FOR ALL THE PEOPLE

CITIZENS OF MATTAPOISETT

I would like to know you and have you know me and what I stand for: To briefly introduce myself-

I reside in the Town of Wareham with my wife and four children: Thomas, 18, Linda Anne, 17, Ray, Jr., 15 and Timothy, 7.

I have served on the Wareham Board of Selectmen for nearly six years, serving two years as chairman. I feel I have a working knowledge of Local Government and can relate to people and the issues that concern them most. I believe in less encroachment on local autonomy.

I have served on the Board of Assessors and, through my Senator, initiated two bills to increase the Statutory Exemptions for Widows and the Elderly. Therefore I understand that the Real Estate Tax is a regressive tax and the burden should be moved to a more equitable graduated income tax and sales tax.

I have served on the Local Housing Authority and recognize the need for low to moderate-income housing and housing for the elderly; further, I recognize the need to regulate housing and avoid overgrowth and saturation of housing in any particular town.

I have served on the Wareham Finance Committee, and understand the need for balance in services and fiscal responsibility and sound money management.

I was appointed by the Governor to the Local Government Advisory Committee and believe in the concept that local communities should be kept abreast of legislation that affects them, and also that communities should have the opportunity to some input.

I am a member of the Lions Club, Kiwanis Club, American Legion and Veterans of Foreign Wars, plus many other civic groups; therefore I recognize a responsibility to People and Community.

I am most proud of the fact that RAY CARDOZA has never used Elective and Appointive office to advance his financial goals - instead, I have maintained a willingness to sacrifice some of what I have for the people I serve, because they place their trust in me. I believe in and practice Honesty, Integrity and Dedication.

This is a brief outline of my involvement and character; hopefully it is enough for an introduction. In the months ahead, I hope I will have the pleasure of getting to know you as I look for your support in your town for a most important position in such trying times.

Thank you,
I remain, Raymond D. (Ray) Cardoza
The man for all the People

I am making an appeal to all voters, whether Democrat, Independent or Republican, who are interested in Honest, Informative Representation, to support me and if you wish to help, in Mattapoisett, call:
